How It Works

Your Rights, Next Steps, & Important Dates

The Settlements provide an Emissions Compliant Repair, comprehensive extended warranty, and cash compensation.

You may object or exclude yourself from the Class Action Settlement by **April 14, 2017**.

Owners and Lessees who file a valid claim will be eligible to receive part of their payment right away, without having to wait for the Emissions Compliant Repair to become available. All Owners and Lessees must submit a valid claim before **December 31, 2019** to participate. You do not have to decide now.

If you are an Eligible Former Owner, you must identify yourself at www.VWCourtSettlement.com by **May 1, 2017**. If you are an Eligible Former Owner or Eligible Former Lessee, you must submit a valid claim by 60 days after the Court's final approval of the Settlements to receive compensation.

The Court will hold a hearing on **May 11, 2017**.

If you stay in the Class Action Settlement, you will receive benefits and cash, and cannot sue Volkswagen, Audi, or Porsche for the claims being resolved by the Settlement.

Attorneys representing the Class will request Court approval for attorneys' fees and costs. Any such fees will be paid separately by Volkswagen. Your compensation will not be reduced by any attorneys' fees.
